## GyroShooter Activation Code [portable Edition]

Download ->>> <http://bit.ly/2NFalUf>

### About This Game

Aim the targets approaching from all sides!

Triangle Service, creator of many arcade games, presents a new style game for PC that looks like a shoot'em up without "shooting" element.

### Features

- This game features no "press the button to fire", that is the most common feature in a shoot'em up
- Aim the target quickly and accurately using a mouse or gamepad
- Also includes games that rebuild classic shooting games from a new perspective!
- A device with gyro sensor supports intuitive gyro controls (For gyro sensor built-in devices, the control automatically gyro operation)

Gyro-controls are tested on these devices

Microsoft Surface Pro 4

Microsoft Surface Pro 3

Microsoft Surface 3

Asus T303UA

Asus T101HA
