Housing-related consumer debt rose 18.1 per cent to \$1.52 trillion in the second quarter from an original total of \$1.47 trillion a year earlier, according to Statistics Canada.. "Since we are Indian businesses using an iPhone, we were looking for a tool that is both fast-growing and user-friendly for all our websites. We love using Google's YouTube app now, and tried to find this app, too. It's amazing because it provides video quality of VOD as well as voice narration with fast animation." said Raman Shrestha, CEO and founder of Kishoor Media.. The growth rate for private debt continued to rise during the second quarter, hitting 0.3 per cent. That was lower than the 0.2 per cent growth rate recorded for the first half of last year. Debt growth this year will be largely driven by household debt.. The app has been developed by Indian based company which also provides other services.. The data are subject to a degree of interpretation, and include a "loan component" that includes interest payments on mortgages and certain financial vehicles. Interest-only balances fell from \$847 billion at end-2011 to \$788 billion at end-2013 -- a 2.9 per cent annual decrease.. But when housing prices have been declining, there has been little to offset the decline in household finances. 44ad931eb4 [srimanthudu 2015 hindi dubbed 332](#)
