The screenshot shows the qBittorrent v4.0.1 Web UI interface. At the top, there's a browser address bar with the URL 127.0.0.1:666. Below it is a menu bar (File, Edit, View, Tools, Help) and a toolbar with various icons. The main area is divided into a status sidebar on the left and a central table of torrents. The status sidebar shows categories like "All (3)", "Downloading (3)", "Seeding (0)", "Completed (0)", "Resumed (3)", "Paused (0)", "Active (3)", "Inactive (0)", and "Errored (0)". The central table lists three torrents:
